TRUTHFUL ADVERTISING IS BRING-INGUS SUCCESS. CHARACTER ALONE STANDS THE SEVERE TESTS OUR SUCCESSFULLY HAS WITHSTOOD.

Confidence results only from proof of character. Fame, popularity, riches all fering tortures or is sick unto death. It is then, when your affection for them prompts you to seek to assurge pain, or save life, that the CHARACTER of the remedy is invaluable. It is this elementcharacter-that (in many thousands of cases, where life itself has been saved after medicines failed and the doctors have said there was no hope, and in chronic suffering which has extended sometimes over years of time, but have

yielded to its powers) has given value to the Perfected Oxygener. King. Its character stands today, as unimpeachable as ever. It does not succeed in every case, but the cases are rare when nocessary for a patient to die of pneumonia, fevers, lagrippe, pleurisy, diphther's, croup, or other acute diease, no matter what it may be, if the increase of nature's remedy is promptly administered. In some cases where the disease has been of some days duration, if very exhaustive to the we fall to save life, but we can assure you that at any in the course of the disease, it is only wisdom to try it. If used with the beginning of the disease, there need be no question as to the success of it. We do not fear to have its character investigated-we are in it for and if we can help you, tell us how. Nearly all cases of chronic troubles, such as asthma, neuralgia, rheumatism, paralysis, epilepsy, and kidney, liver, heart, lung, stomach, bowel, bindder, nerve, blood, and skin diseases can be cured by this treatment. Constitution—the primary cause of nearly all file, cured to stay cured. No medicines are used. All medicines are poisons, and there is a decrease of vitality with every dose given. There is a point, where the vitality becomes so low, that a dose of medicine will sever the thread of life. The friends do not know it; it is called providence. Oxygen is the only remedy we use, and it builds up the vitality from the start giving the patient more strength to resist d'sease. Oxygen is THE ONLY agent that can make one new red blood corpuscle—hulld one tissue, or kill the germs and bacteria completely. Don't be deceived in this Study it. Get the best authority you can, and read it up. The Oxygen is free in the air and water. Nature has furnished it in abundance, but the kings do not always furnish enough to burn up the kingurities and carbon of the body-the carbon ferments, crusing humars and sell for the growth of germs. The Oxygenor King forces floods of Oxygen through the pores, where it enters the venous as well as the arterial circulation, burning up the carbon excess, and this burning is life. The more intensely you burn, the greater your existence. The number of deaths from fevers, pneumonia, etc., makes us shudder, when we know the power of the Oxygenor King, yet we are powerless to compel you to use it. There is one safe way-get an Oxygenor King, have it ready for use, and at the first symptom of disease apply it. and it will do the rest. Can be used by anyone who can read, and cannot harm you. It will give greater security to its owner, and do more for him than any remedy known-Oxygen does it every day of your life. It keeps you alive, and is daily minister-ing to your comfort.
